## Celebrate the Miracle of Birth

Commemorate the birth of a special baby by having his or her name, birth date and footprint engraved on a corian tile and displayed on a unique wall at the Alice T. Miner Women & Children's Center. Parents, grandparents, God parents or others may wish to celebrate the special arrival and will receive a second corian tile as a keepsake.

## Benefits the Center

Proceeds from this program will support important patient and staff education programs such as childbirth education classes; lactation education and support; as well as continuing education for our compassionate nursing staff.

## Make Your Contribution

A gift of \$200 will purchase two corian tiles displaying the newborn's full name, date of birth and original footprint. One tile will be hung on the commemorative wall and the other is for a family keepsake. If you would like to celebrate the miracle of this precious event, please

complete the information on the next page and attach a copy of the baby's footprint (original footprints are sent home with the parents). Completed information and your contribution to the Alice T. Miner Women & Children's Center will be accepted by The Foundation of Champlain Valley Physicians Hospital.
