Instructions for Requesting PubMed Articles from Library

Use the Medical Library’s unique link to PubMed on the library home page.

Search PubMed and select article of interest by clicking on title:

In the PubMed record, always click on the Full Text Finder link to check for access.

If full text access is not available, you’ll be given the option to submit a request directly to the Library.

Updated 2/8/23 jmt
Enter your name, email, phone number and date article is needed by.

Publication information is auto-populated in the form.

Click Submit button at bottom of page.

Most articles are delivered within 24-28 hours. It’s fast and easy!

As an alternative, you can always email the PMID or DOI to cvphlib@cvph.org

(located just below author info – look for these:)

PMID: 27824737   DOI: 10.1097/WON.00000000000000280
